Rodriguez' Experian report showed an outstanding balance in the amount of approximately \$3000.00 for "The M Street Apartments, Julian Lecraw & Company." A letter of satisfaction was received for this charge and is enclosed.

Experian showed a disputed charge for Rodriguez for \$1769.00 with Verizon Wireless. This dispute was settled for \$700.00. Contact I made with Verizon Wireless, (Ivonne ID# 100472), revealed that this account will show as current on December 20, 2013.

Rodriguez had a disputed charge with Suntrust Bank in the amount of \$846.00. I have received paperwork reference this account which shows that the account is current with and will be paid in full with the next payment of \$237.50.

The report had two listing under Medical Payment Data. One is for CAC Financial for \$54.00 which is overdue 90 days, the other for FBCS for \$723.00 which is overdue one cycle (30 days). The candidate is contacting those financial groups for payoff amount and will forward updated information which should show the account current.

There was a tax lien for \$49,080.00 which has been settled for the amount of \$1000.00. Rodriguez supplied paperwork from the IRS, which is enclosed and supports his claim of the settlement with the IRS. This settlement is paid in full.

Educational Background:

Rodriguez graduated South Lake High School, Groveland, Florida on May 25, 1996. Transcript enclosed.

On September 26, 2012 Rodriguez completed the Basic Law Enforcement Academy at Valencia College. Certificate enclosed.

CVSA:

On December 10, 2013 a CVSA examination was administered to Rodriguez. In pre-examination interview I discussed questions asked of Rodriguez during the application process. His replies to my questions were comparable to answers previously given. I spoke to Rodriguez in reference to any possible new issues of interest to this department not previously reported or talked about during the hiring

process. Rodriguez related that there have been no changes in his personal history that would conflict with his employment as an officer with the Palm Beach Police Department.

After I administered the CVSA, Det. Pina cold called the charts and agreed that there was no deception indicated on the CVSA.
